

**When Giving Feedback:** Open with “I’d like to give you feedback on your PI behavioral assessment. The PI measures work related behaviors. It helps to ensure that we put people in roles that allow them to play to their strengths in addition to providing managers with insights on how best to manage and motivate them to success.”

**Name:** \_\_\_\_\_ **Position:** \_\_\_\_\_ **Date:** \_\_\_\_\_

**Individual Drives:** Begin with identifying the status of each individual drive.

Drive	HIGH/LOW	Description
A – Dominance	_____	_____
B – Extraversion	_____	_____
C – Patience	_____	_____
D – Formality	_____	_____

**Self Pattern:** Begin with the widest spread factors and work down. Always include A/D. The spread of the relationships will determine the intensity of your language.

Combination	Spread	Description
___/___	_____	_____
___/___	_____	_____
___/___	_____	_____
___/___	_____	_____
___/___	_____	_____
___/___	_____	_____

**Motivating Needs:**
